

Doxology by The X-Structure

-----

Doxology is an album of "modern-day hymns" performed by the virtual hands of The X-Structure. It is an expression of admiration and gratitude towards God. It is the continuing tale of the journey of a new found love. It is the continuing tale of the discoveries that are found when we come to know and believe that there is more to what is seen or felt. These songs are not just songs without meaning, these songs are songs of glory and wonder. This is our Doxology.

Soli Deo Gloria!
