

Meta by The X-Structure

-----  
Meta is that which transcends our perceived order of things. The beauty of metamorphosis, being reborn into something new and magnificent, leaving the old behind. The ingenuity of the metaphor, revealing the truth of the unknown through that which is known. The mystery of the metaphysical, the spiritual realm, where our souls reside, where there are angels, where there are demons, and where we are citizens of eternity.

// Special Release Info

This release forms part of an ongoing collaboration of "joint releases" between the Italian netlabel, 5lbeats, and the South African netlabel, Bushmen Records. Our goal is to strengthen our international bonds of mutual love for music in the netlabel scene and in turn to deliver our artists' music to a much wider audience. If you like the music then please feel free to share it with someone else around the world. Be sure to check out the other joint releases on our respective websites.
